Exercises for Chronic Neck Pain

This strengthening and stretching program will help lessen your pain, and get you stronger and more flexible, so you can do the activities you enjoy with less pain and effort. Choose a time of day that best fits your daily routine. Please talk with your primary care provider or physical therapist if you have questions or concerns.

Strengthening

1. **Chin tuck for strengthening and stretching neck muscles**
   a. Lie on your back on a bed or a mat on the floor.
   b. Place a small towel under your head.
   c. Gently tuck your chin.
   d. Hold the chin tuck for 2 seconds then relax.

**Tips**
Bend your knees and put your feet on the bed or mat for more comfort.
