Advanced Practice Institute:
Promoting Adoption of Evidence-Based Practice

February 20-22, 2019

Here’s what participants have to say,

“Awesome – beyond expectations!!”

“It exceeded my expectation. I will encourage others to attend.”

“This conference/institute re-lit the small spark within me.”

“Awesome facilitators – really engaged participants.”

“It gave me a road map on how to start and how to sustain.”
Advanced Practice Institute: Promoting Adoption of Evidence-Based Practice

INSTITUTE PURPOSE

The purpose of the Institute is to educate nursing leaders to guide colleagues and teams in the integration of evidence-based knowledge into practice.

INSTITUTE GOALS

1. To promote advanced skills of nursing and interprofessional leaders in the use of evidence-based practice models.
2. To develop leadership skills for facilitating completion of clinically relevant evidence-based practice projects.
3. To foster creative thinking, networking, and issue resolution in the evidence-based practice process.

INSTITUTE OBJECTIVES

At the completion of the Institute, participants will be able to:

1. Identify strategies for implementation of evidence-based practice changes in complex health care systems.
2. Describe the organizational infrastructure necessary for evidence-based practice.
3. Use an evidence-based practice implementation book with strategies, tools, and resources to promote evidence-based health care.
4. Discuss methods to sustain evidence-based changes in practice.
5. Develop a plan for demonstrating an impact from use of evidence in practice.
7. Develop a specific evidence-based practice topic.

INSTITUTE DESCRIPTION

This Institute is designed to develop the advanced skills necessary for nurse and interprofessional leaders to promote and lead teams in adoption and integration of evidence-based practices.

Developing a scientific base for practice is important for nursing and is a requirement for Magnet Recognition Program® designation and accreditation by regulatory agencies such as The Joint Commission (TJC).

Topics discussed in the Institute include:

- Selecting clinical issues to address through the evidence-based practice process;
- Finding and evaluating the evidence;
- Implementing and sustaining practice changes;
- Evaluating evidence-based changes in practice to demonstrate an impact;
- Integrating evidence-based practices into the organizational system or setting.
LEARNING METHODS

Learning will be facilitated through a combination of group discussion, didactic sharing, facilitated work time, networking and consultation.

MATERIALS PROVIDED

Participants of the Institute will receive:

1. A training manual
2. PowerPoint presentations and supporting documents
3. “Evidence-Based Practice in Action: Comprehensive Strategies, Tools, and Tips from the University of Iowa Hospitals and Clinics”
4. Pre-requisite readings, for example:
5. Consultation with a librarian with expertise in evidence-based practice literature searches
6. Research critique background reading (optional)
7. Small group consultations to facilitate project development
8. Up to 3 one hour telephone consultations; 1:1 with our faculty for up to 1 year following Institute attendance

QUALIFICATIONS FOR THE INSTITUTE

- RN employed in practice at least 50% time
- Minimum BSN degree, master’s, or doctoral preparation preferred
- Leadership responsibilities for evidence-based practice
- Participants are required to identify a topic/project to work on during the Institute. If assistance is needed, please contact Laura Cullen, DNP, RN, FAAN (laura-cullen@uiowa.edu) prior to the Institute.
- Completion of pre-requisite readings

Continuing Education

Contact hours will be granted by the University of Iowa Health Care Department of Nursing (Iowa Board of Nursing Approved Provider # 34). Participants must attend the entire program each day to receive full credit.
REGISTRATION FEE

The $1500 registration may be paid online at this link or by check payable to University of Iowa Health Care, Department of Nursing. Checks may be mailed to University of Iowa Health Care, attn: Kristen Rempel Department of Nursing; 200 Hawkins Dr, T100-GH; Iowa City IA 52242. Requests to cancel must be received in writing, postmarked on or before January 2, 2019. A processing fee of $100 will be deducted from your refund.

APPLICATION DEADLINE

Please complete the application and send via email to Kristen Rempel at kristen-rempel@uiowa.edu by January 25, 2019. (Please note, attendance is limited due to the small group focus. Qualifying applicants will be accepted in order of receipt of application and payment.)

NOTIFICATION OF ACCEPTANCE

Acceptance letters will be emailed by February 1, 2019. We reserve the right to cancel the program if it is not full. In the unlikely event that happens, you would be placed in the next available program or your registration fee fully refunded.
