24th National Evidence-Based Practice Conference
April 27-28, 2017 • Marriott Hotel & Conference Center, Coralville, Iowa

Personalized Health Care: Shades of Gray in Evidence-Based Care

Conference Purpose
Emerging issues in health care often shift, requiring clinicians, administrators and faculty to be nimble. The program will highlight systematic EBP processes to address contemporary issues from personalized health care and shared decision making to population health and complexity in evidence-based care.

Conference participants will learn strategies to translate evidence into practice and have opportunity for discussion and networking with experts in shared decision making, minimally disruptive care. A wide variety of clinical issues will be presented based on the abstracts submitted.

CALL FOR ABSTRACTS - October 14, 2016 deadline

You are invited to submit an abstract for a podium or poster presentation on 1) evidence-based practice (EBP), 2) clinical research, 3) synthesis report or 4) nurse residency EBP projects from supporting organizations. DNP projects addressing an EBP topic are also welcome. Of particular interest are abstracts related to the conference purpose and theme as well as innovative EBP projects or topics.

Accepted podium and poster presenters must submit payment for conference registration fee by mid-December and must register and attend the conference.

Guidelines for Abstract Submission
• Abstract should be prepared using the templates provided at www.tinyurl.com/UIHC-EBPConference.
• Abstract and references each limited to no more than 500 words (does not include Title and Authors).
• Completed work will be considered for a podium presentation and in-progress work will be considered for a poster presentation.
• Nurse residency coordinators may submit up to two poster abstracts that are supported and selected by their respective organizations.
• Abstracts will be blinded for review and acceptance notices will be sent in late November.
• For each accepted presentation, one author will receive a registration discount. All other costs and arrangements shall be assumed by the presenter.

Abstract Submission Process
1. Complete the appropriate template provided at www.tinyurl.com/UIHC-EBPConference.

Visit www.tinyurl.com/UIHC-EBPConference for conference details as they are finalized.

Contact Kristen Rempel with questions at kristen-rempel@uiowa.edu or 319-384-6737.

Nursing continuing education credits will be available to conference attendees through the UI Hospitals and Clinics Department of Nursing, an Iowa Board of Nursing approved provider.
